| 6. Prithu Baskota – Treasurer | |

Message from the President,

Dear Fellow Cricketers,

Let me first congratulate our National Team for gaining ODI status! The perseverance and resilience shown by our team during very difficult time is commendable. We wish them all the success in future!

We have completed another one year of our establishment. During past one year our activities have been relatively muted due to none existence of national cricket governing body. Had there been a functioning cricket governing body, we could have looked for the areas of collaboration to work for the betterment of players and cricket as a whole.

We hope and pray for establishment of proper cricket governing body as soon as possible so that we can collaborate with it and work for development of players.

In this year's AGM, we are going to vote for new executive committee. I welcome all the present and prospective members to come forward without any hesitation and contest for the various executive positions.

In the end, I extend my sincere gratitude to all executive members for their continuous support during past one year.

Let us unite and help cricket grow to new high.

With Regards,

Pawan Agrawal
President

Message from the General Secretary

Hi All,

On the very outset, I would like to congratulate all cricket players on getting ODI status! This has been possible due to continue effort of all the players and people involved with cricket over the years.

Now, we need to grab this opportunity with both hands and utilize this platform to take Nepal cricket to a new high. It is very unfortunate that, we do not have functioning cricket governing body for around two years now, which has adversely affected cricket development process and wellbeing of cricketers.

This is high time that we players need to exert more pressure on the different stakeholders and also on the government to establish professional and competent governing body as early as possible.

We CPAN team will continuously try to find opportunity to work for the wellbeing of players as we have done in the past.

Looking forward for fruitful year a head!

Cheers!

Paras Khadka
General Secretary

AGENDA FOR AGM

1. Annual report presentation and approval for FY 2073-74 (2016-17).
2. Plans & program for upcoming fiscal year.
3. Election of new executive committee.
4. Appointment of Auditor.
